## ResponseID Response

335	I am homeschooling him to help his anxiety
336	Children I. Senior years of school. No access to mental health health professionals due to months and months of waiting list. No access to guidance officer support at school due to ridiculous student ratio numbers. Not enough in the school system to carter for demand. Last year could not even get a 10 minute appointment with a guidance office for a student who was flagged on a mental health plan. School deputy was forced to pick up the back log. Therefore I am very concerned about the mental health of school staff .
342	Just to know that he will get education at school
345	His isolation
347	Inability to attend school because of ongoing anxiety
350	Heightened anxiety as rules and restrictions change quickly. Ongoing impact of not seeing family
